

DEPARTMENT OF MATHEMATICS
THE UNIVERSITY OF QUEENSLAND

Honours Students' Talks, Semester 2, 2002

Talks will be held on Mondays at 2pm in room 67-141.

Each student will have 25 minutes for talk and questions. So aim to talk for 20 minutes, allowing up to five minutes for questions.

The following is *DRAFT 3* of the schedule. Please let me know of any problems with the timing. If you make swaps, please *let me know!*

Titles and abstracts will be circulated on email messages and displayed by the lifts on each floor, about a week before each session, so please be prepared for this and let me have them in good time!
