

AUSTRALIAN MATHEMATICAL OLYMPIAD COMMITTEE

A SUBCOMMITTEE OF THE AUSTRALIAN MATHEMATICS TRUST IN ASSOCIATION WITH
THE AUSTRALIAN ACADEMY OF SCIENCE

To All Participants in the 2009 Queensland AMOC Programme.

With the conducting of the AIMO and Senior Contests for 2009 now complete, this brings to an end the 2009 programme. To all of you who participated I hope you found the experience a rewarding one and for those of you in year 10 or below you have 2010 and beyond to look forward to. To those of you in year 11 I hope you have found the programme valuable and of assistance in your mathematics studies at school. I wish you well in all your future endeavours.

Your marked contest papers will be sent to Canberra for processing and you will be informed in due course of your results.

My final thank you is for the teachers in the schools who ably assisted the students at the coal face. Without your participation and cooperation the programme could not run.

On behalf of Dr Scharaschkin and myself heartiest congratulations to you all on your efforts.

Yours faithfully,

Gary Carter – Queensland State Director
